# Fire Department Report

---

To the citizens of the Town of St. Albans, it is with great pleasure that I submit our annual report. We have added another piece of new equipment this year. An Emerson Resuscitator has been added for your protection. Our equipment is in exceptionally good condition with the exception of our No. 3 tank truck, which we are planning on replacing in the near future.

In memory of our HONORARY CHIEF IRVING PARKMAN, I conclude this report.

Respectfully submitted,  
MAURICE SAWYER, Chief

# Auditor's Report

January 18, 1963

Board of Selectmen

St. Albans,  
Maine

Gentlemen:

In accordance with Chapter 405, Section 26, Public Laws of 1957 and at your request, the records of the Town of St. Albans have been audited for the period January 1, 1962, to December 31, 1962, inclusive.

The examination was conducted in accordance with generally accepted auditing standards applicable in the circumstances and included all procedures which were considered necessary. Insofar as could be determined within the scope of the examination, the financial transactions of the Town appear to have been appropriately handled with such exceptions as may be noted in the accompanying comments.

Exhibits and schedules incorporated in this report present the financial position of the Town at December 31, 1962, and the result of its operations for the year then ended.

Recommendations are also offered which are believed to be worthy of your consideration.

All of which is respectfully submitted.

Very truly yours,

R. A. JAMIESON

JOHN T. SINGER

# TOWN OF ST. ALBANS

JANUARY 1, 1962 to DECEMBER 31, 1962

An audit has been completed of the books and records of the Town of St. Albans for the year ended December 31, 1962.

The records maintained by the Town Manager, Tax Collector, Assessors, and Town Clerk were audited. The system of internal control was reviewed. Accounting records and other supporting evidence were examined or tested to the extent deemed necessary under the circumstances.

It is believed that the accompanying balance sheet together with the related financial statements fairly present the financial position of the Town at December 31, 1962, and the result of its operations for the year then ended.

## ASSETS

At the year end, the records indicated a cash balance of \$9,555.97, whereas the cash account as reconciled plus cash on hand totaled \$9,489.09. The difference of \$66.88 has been set up as an account receivable due from the Treasurer. For the second year, it was the practice to deposit receipts in a savings account and to transfer to the checking account as necessary. Interest earned on this savings account was credited to Debt and Interest. The cash balance was reconciled as follows:

| Cash Balance—December 31, 1962 | \$9,489 09 |
|--------------------------------|------------|

---

The 1962 tax commitment was accounted for as follows:

|                  |             |        |
|------------------|-------------|--------|
| Cash Collections | \$63,632 73 | 82.7%  |
| Abatements       | 21 62       | .1     |
| Taxes Receivable | 13,233 36   | 17.2   |
|                  | <hr/>       | <hr/>  |
| Total            | \$76,887 71 | 100.0% |
|                  | <hr/>       | <hr/>  |

This represented a slightly better collection record than the previous year reflected. Unpaid 1961 taxes assessed against real estate totaling \$5,191.99 were secured by tax liens. The tax liens were verified by physical inspection. It was noted that waivers had been obtained in all cases where partial payments had been accepted on tax liens and that all paid liens had been discharged. Payments on account of tax liens totaled \$5,256.86 and matured tax liens of \$294 were transferred to tax acquired property. Supplemental taxes were committed to the Tax Collector. Un-collected prior years' taxes totaling \$1,474.39 were charged to the reserve which had previously been established.

#### LIABILITIES

During the year, a note for \$6,500 was issued, the proceeds being used to purchase a truck, and the note issued last year for \$3,198 was retired. The First National Bank of Pittsfield is the holder of the note. Tax anticipation notes of \$35,000 were issued and paid.

All accounts payable outstanding at December 31, 1961, were paid and accounts payable outstanding at the year end amounted to \$1,777.79.

#### RESERVES AND SURPLUS

The Capital Reserve Fund established for a school building earned \$233.07 in dividends and totaled \$3,725.32 at the year end. An appropriation of \$200 was made at the annual Town Meeting to be added to the War Memorial Fund which totaled \$1,000 at the year end. It should be noted that, although these funds total \$4,725.32, only \$3,184.61 has been invested. The balance of \$1,540.71 is included in the cash of the General Fund and has not been invested. The bank stock comprising the investments of these funds was verified by physical inspection of the stock certificates.

Net unexpended balances in certain appropriation accounts which were carried forward to the ensuing year totaled \$1,054.15 as compared with \$8,540.08 at December 31, 1961. The princi-

pal change is reflected in the balance of the school account.

Although appropriations of \$9,500 were made at the last annual Town Meeting from Unappropriated Surplus, this account was decreased only \$2,635.79 as a result of the year's operations and totaled \$23,885.47 at the year end. A complete analysis of the change in this account may be found on Exhibit E.

#### TRUST FUNDS

The investments of the trust funds were verified by physical inspection of the securities. Trust funds accepted by the Town at the last Town Meeting totaled \$300 and at the year end new funds totaling \$300 are being held pending acceptance at the annual Town Meeting.

#### GENERAL

Excise tax receipts totaled \$6,319.72 and were verified by examination of the copies retained by the Collector. It was determined that \$78.91 was due from the Collector from this source. During the year, transfers of \$6,000 were made from this account as voted at the Town Meeting and the unallocated balance of \$319.72 was transferred to unappropriated surplus.

The following bond was on file in the Town office and was examined:

Hartford Accident and Indemity Co., No. 3434691-B

Everett Graham—Treasurer and Tax Collector \$4,000

The overlay of \$3,660.71 was within the statutory limit and was transferred to unappropriated surplus.

Abatements were examined and were found to have been properly approved.

#### RECOMMENDATIONS

The following recommendations appear to be worthy of your consideration:

1. That, the balance of the Capital Reserve Funds now in the cash of the General Fund be withdrawn and invested in accordance with statutory requirements.
2. That, the balance of the Trust Funds now in the Cash of the General Fund be withdrawn and invested in accordance with statutory requirements.
3. That, a trial balance be taken of the ledger accounts each month.
4. That, the balance of the checking account be reconciled with the bank statement at the end of each month.
5. That, the postings to the distribution of expenses be proved to each warrant.

# **Report of School Physician**

The major part of this school year has revealed fewer cases of absenteeism due to illness than most of the previous years.

The students had fewer correctable disabilities and both teachers, as well as pupils appeared well adjusted and happy in their environment.

The physical plants in the schools seemed adequate and the janitor service good.

Respectfully submitted,

PAUL R. BRIGGS, M. D.

## **Report of Superintendent of Schools**

St. Albans, Maine  
January 1, 1963

To the Superintending School Committee and Citizens of  
St. Albans:

It is my privilege to submit to you an annual report of your public schools. The Superintending School Committee has continued its efforts to improve the physical school plant, provide more adequate materials in the form of text books, reference materials, other teaching aids, and teaching supplies. Our survey indications to date lead us to believe that our pupils are making greater accomplishments. We will still need to continue this pattern if we are to prepare our youth to compete successfully for the more skilled positions. It will take a period of time to fully evaluate the amount of annual pupil growth in the academic areas as the Standardized Testing Program continues its evaluation of their accomplishments.

Our total pupil enrollment has increased this year although because of a lack of adequate physical space we enrolled only grades one through eight. This is further clarified by the present Teacher and Grade List.

| Teacher             | Grade | 8  | 7  | 6  | 5  | 4  | 3  | 2  | 1  | Total |
|---------------------|-------|----|----|----|----|----|----|----|----|-------|
| Brian Hanson, Prin. |       | 24 |    |    |    |    |    |    |    | 24    |
| Mary Davis          |       |    | 18 |    |    |    |    |    |    | 18    |
| Roland Wortman      |       |    |    | 18 |    |    |    |    |    | 18    |
| Elizabeth Ireland   |       |    |    |    | 26 |    |    |    |    | 26    |
| Edith Talmadge      |       |    |    |    |    | 25 |    |    |    | 25    |
| Estelle Mason       |       |    |    |    |    |    | 16 |    |    | 16    |
| Mary Hatfield       |       |    |    |    |    |    |    | 28 |    | 28    |
| Elsie Lawry         |       |    |    |    |    |    |    |    | 24 | 24    |
| Total               |       |    |    |    |    |    |    |    |    | 179   |

Some teacher changes were made this past year: Mrs. Estelle Mason, Grade 3; Mrs. Mary Davis, Departmental Social Studies, Art, Penmanship, and Coach of Girls Sports; and Mr. Bruno Servizio, Music Supervisor for Union.

It is hoped that within a short period of time, steps will be taken which will correct our current problem as it relates to the Junior Primary aged child.

As in the past we have carried on the health program necessary to provide you a rudimentary evaluation of your childrens well being. It is hoped that all parents will refer their children to their respective doctors for any necessary correction. A local charitable organization has again volunteered to assist in producing glasses for several children.

I would like to express our sincere appreciation for the quality of instruction that has been administered to the pupils in St. Albans by the faculty at the St. Albans Consolidated School.

It would appear that exterior repairs must be made upon the the building this coming year. This past year's expenditures were for regular and corrective maintenance upon the interior. It has been anticipated that more maintenance could be carried out than proved to be possible.

The appropriation for next year exceed those of the past year in some areas for basically the same reasons mentioned in the past. A competent teaching staff necessitates a competitive salary, costs of certain basic supplies have continually advanced, and if we are to have a forward program some more of the teaching tools must be replaced or added to those available.

In conclusion, may I say that you have taken a forward step in preparing your children to compete successfully in a society which is growing in its complexity. I appreciate the opportunity of working with you and the teaching staff to educate your youth.

Respectfully submitted,  
LLEWELLYN CHURCHILL
